Course Information

- Participants should be prepared to get wet during the activities;
- The club does have a number of suits to loan to participants or they can bring their own;
- All participants are required to wear a buoyancy aid while on the water (supplied);
- Participants should bring a change of clothes, swimwear, towel and footwear which can be worn in the water. A lightweight waterproof coat would also be advisable;
- Participants are expected to supply their own food and drinks where applicable. The club has the facility to make hot drinks.

Adult Sailing: Adults who complete the sailing course can avail of further opportunities to sail and gain race experience by crewing for boat owners on Tue or Wed nights, or Sun afternoon in club racing. The club bar is open on these nights after racing.

Youth Sail Race Training: Young sailors join the Saturday race training sessions from 1.30 – 5 pm where they learn to compete in club and National events. Parents are encouraged to stay and help during these all year round training sessions. It is very possible to achieve competition success at Local, Provincial, and National levels, and our clubs top 14-16 year old sailors are invited to train with the National Youth Squads. Training received when young can enable a lifelong activity of sail racing, leisure sailing or coaching.
